## Announcement

---

**I**N order to reduce my herd at this time, I am offering at public auction December 15th, 51 head of Shorthorns to be sold in 43 lots as follows: Nine cows with calves at foot. Seven cows close to calving. Eleven yearling heifers safe in calf and five open heifers, **over one year old**. Eleven bulls, age 9 to 14 months. The entire offering is of the most select bloodlines of the most fashionable Scotch tribes. Cruickshank Victorias, Nonpareils, Kilblean Beautys, Butterflies and Rosebuds predominating in pedigrees.

Have been breeding Shorthorns for 25 years and have owned most of the Imported Cows **appearing in these pedigrees**. All the offering excepting two head are of my own breeding. They will not be specially fitted for a high priced sale; just in good useful breeding condition.

The herd has been under federal inspection for ten years. Every animal has just passed the federal test this month, November, 1927. Every cow a regular and rapid producer. Have calves in the herd to show from every cow old enough to breed, and heifers old enough are **guaranteed to be breeders**. They are absolutely a sound healthy herd of cattle and the customary 60 day retest privilege goes with the entire offering.

In my 25 years experience in breeding Shorthorns, I have always realized the importance of keeping the very best bulls obtainable to head the herd. Breeders will agree with me when I point to the four top sires in these pedigrees as bulls of the most popular bloodlines, namely: Sultan Standard by Whitehall Sultan; Villager's Victor by Imp. Villager; and later Imp. Right Sort. Probably among the highest priced bulls imported to this country.

Everyone cordially invited to come to the sale whether or not you wish to buy cattle.

Yours very truly,

J. T. JUDGE.
